### **Purpose and Audience:**

The purpose of this Informational Memo is to provide an updated timeline on the transition of Pre-Admission Screening and Resident Review (PASRR) work to a statewide vendor. The purpose of the transition to a statewide vendor is to develop, coordinate, and perform a more efficient and effective streamlined review and evaluation process for the PASRR program.

### **Information:**

The Department of Health Care Policy and Financing (Department) is in the process of transitioning PASRR work currently conducted by Mental Health Centers, OBRA Coordinators, and Community Centered Boards to one statewide vendor. The initial date of transition was scheduled to occur July 1, 2019. In order to ensure a smooth transition and ensure the statewide vendor is able to meet the requirements in the contract, the new anticipated date of transition is August 1, 2019.

The Department will provide additional information through this Memo Series when the transition date is solidified, to ensure all stakeholders are aware of the actual date of transition.
